FILLAT+
ARCHITECTURE

Janey has two passions when it comes to architecture: Design Excellence and Design Innovation. With over 28 years of experience, Janey has been involved in all aspects of the architectural profession, from design concept and its development and documentation to supervision and leading project teams. She has experience in a variety of project types, most notably in the retail, entertainment and hospitality sectors. Her specialty is Retail Place Making, helping clients create dynamic commercial environments that unite, connect and enrich communities and urban centers all across the globe. By engaging customers on a deeper level that promises patron loyalty, 24/7 vitality and community involvement, Janey creates "People Places" that inspire well-being, a sense of belonging and delight.
